An old man, a boy and a donkey

Contact: 9423208724, 9423208723.

An old man, a boy and a donkey were going to town. The boy rode on the donkey and the old man walked. As they went along, they passed some people who remarked it was a shame the old man was walking and the boy was riding. The man and boy thought maybe the critics were right, so they changed positions.

Then, later, they passed some people who remarked, "What a shame, he makes that little boy walk." So they then decided they'd both walk! Soon they passed some more people who thought they were stupid to walk when they had a decent donkey to ride. So, they both rode the donkey.

Now they passed some people who shamed them by saying how awful to put such a load on a poor donkey. The boy and man figured they were probably right, so they decided to carry the donkey. As they crossed the bridge, they lost their grip on the animal and he fell into the river and drowned.

The moral of the story? If you try to please everyone, you might as well... Kiss your "donkey" goodbye! And even this ending won't please everyone.

you have listened to my story
happily .Have a nice day .
