Once upon a time, in a very distant village, there was a man who was in a hurry. He wanted to reach his destination very early, so he went to a cart driver and asked him to take him to that address quickly.

He also pointed out that he was in a hurry and needed to reach the destination fast. The rider agreed, and they set off on their way.

However, when the cart reached a corner, it suddenly stopped, and the horse started dancing. The man was confused and said to the driver, "Why is your horse dancing suddenly? I am in a hurry. MAKE IT STOP!"

The horse started moving again, but when they reached another corner, it began dancing again. The man was furious and started shouting. The driver said to the man, "Sir, please calm down."

The driver then explained, "It is just that the horse is a wedding horse, so it has a habit of dancing at every corner. HAHAHAHA.
